Deliberative Process. Do Not Disclose.

DOJ and EPA teams,

Thank you all very much for providing formal and informal comments to the draft clarification letter regarding the Maine Tribes' subsidiary treaty rights

to water quality. Please find attached a revised version of the clarification letter that attempts to address the concerns raised by both the Department and EPA, along with a redline against the version most recently circulated.

If you have any outstanding and serious objections, or wish to discuss any perceived fatal flaws, please feel free to reach out directly to me or Eric Shepard by COB on Friday, April 27th. Thank you.

Regards,

Kyle Scherer  
Acting Deputy Solicitor - Indian Affairs
